Dear Parent/Guardian,

The East Riding of Yorkshire Council's Scooter Awareness Programme is due to take place within the school grounds.

The training normally consists of a short road safety presentation in the classroom followed by a 30 minute session on the playground where children will learn some safe scooting skills through fun activities.

A scooter will be required for those children wishing to participate. Safe footwear and suitable clothing is also recommended.

If you have any queries regarding the scooter training, please email
