

Barmby Moor CE Primary School
Tolerant, Caring and Understanding

Our School Vision is to work as a community within the school's Christian ethos. We learn about world faiths alongside our Christian Values to work towards creating an Outstanding school where all can flourish. Through the provision of a broad and balanced curriculum we encourage every child to develop lively, creative and enquiring minds enabling them to become confident individuals who reach their full potential and succeed in Modern Britain.

Our school works in partnership with the church and the wider community to give a caring and nurturing environment. Together we enable and equip each child to "I have come that they may have life, and have it to the full" (The Gospel of John – Chapter 10, verse 10).

We will realise our Vision by:

- demonstrating, as a Church school, our Christian values in action
- consistently high standards of teaching
- providing a happy, healthy and secure environment where all are respected, valued and encouraged to contribute
- excellent leadership and governance
- encouraging a love of learning by participating in experiences full of opportunity and creativity
- pursuing excellence in every aspect of school life, supporting one another and celebrating the achievements of all
- a partnership of pupils, teachers, parents, governors and the local community
- Targets are challenging and achievable.

Our Values

Our Values are at the heart of our school vision and are illustrated in the Cross and shared with children on a regular basis, in Collective Worship and reinforced through our teaching and every day school life.

We established these in collaboration within our school community.

Our values can be said to be 'Human Values' and inclusive for all. As a Church of England school, however, we have rooted these Values in our Christian beliefs and in stories from the Bible making it particularly memorable for children.

REVISED January 2025

CHARGING AND REMISSIONS POLICY

The Governors wish to make the school's programme of curriculum visits and activities available to as many students as possible. They endorse the principle that no student should have access to the curriculum limited by charges but recognise they have to operate within the constraints of the school budget.

The Governing Body also recognises that there is a clear distinction in charging between Curriculum and Non-Curriculum activities.

A CURRICULUM ACTIVITIES

Any charges made by the school for curriculum activities must meet the requirements of the 1996 and 2002 Education Acts. It is the policy of the governing body:

1 Residential Trips – Board and Lodging

To levy a charge for all board and lodging costs on residential visits, except where students are entitled to statutory remission.

2 Curriculum Activities

To request voluntary contributions from parents in advance for curriculum activities/trips during school time. No student should be excluded by reason of inability or unwillingness to make a voluntary contribution. However, if insufficient voluntary contributions are raised to fund the activity/trip, then it must be cancelled and a full refund given. Any insurance costs will be included in charges for trips and activities.

The Headteacher can approve a contribution from school funds for curriculum trips where there is an inability to contribute and the parents meet the statutory remission criteria. A conversation should take place between parents and the Headteacher.

3. Curriculum Residential Trips – Board and Lodging

Where LESS than 50% of the trip time is outside school hours (sessions) then it can be charged for as an optional extra requiring voluntary contributions but the board and lodgings can be charged in full.

Where MORE than 50% of the trip is outside school hours (sessions) then it can be charged in full as an optional extra.

The school can charge in full for board and lodging on ALL residential trips which involve students in nights away from home for trips.

Governors are obliged to remit the full cost of this element to parents who are eligible for statutory remission, where the trip takes place MAINLY during school hours.

Visit organisers arranging a residential trip MAINLY in school hours should include the following statement in their letter to parents:

"Parents who are eligible for a reduction according to the schools charging and remission policy or receive free school lunches, should contact the school office for further information. You may discuss the matter in complete confidence."

All letters making charges or requesting voluntary contributions should be typed by the school office and submitted to the Headteacher before being issued.

4 General Lesson Costs

To levy NO charge in respect of books, materials, equipment, instruments or incidental transport provided in connection with the National Curriculum or statutory religious education visits.

5 Music Tuition

The school will make a termly charge to parents for instrumental music tuition by visiting East Riding Music Service teachers for those who request extra instrumental tuition for their child. Charges will not be made for students whose parents are eligible for statutory remission (this is not a legal right but has been made at the discretion of the Governing Body). A charge will also not be levied where instrumental music tuition is required as part of the syllabus for a prescribed public examination for which the pupil is being prepared at the school. (In these circumstances parents may be willing to contribute voluntarily to the cost incurred in the provision.)

6 Statutory Remission

Statutory remission is given to those parents who are in receipt of either:

- Job Seeker's Allowance (income-based)
- Income Support
- Universal Credit
- Child Tax Credit (but NOT receiving Working Tax Credit)
- Employment Support Allowance (income-related)
- Guarantee Element of State Pension Credit
- Support under Part VI of the Immigration and Asylum Act 1999.

This criteria is the same as for free lunch entitlement. Under the 2002 Education Act remission only applies to board and lodging on residential trips. However the Governing Body has extended this to include music tuition so that students are not disadvantaged because of an inability to pay.

B NON-CURRICULUM ACTIVITIES

1 Non-Curriculum Trips

To levy a charge, as an 'optional extra', for trips which are NOT part of the National Curriculum or statutory religious education. However, if there are insufficient pupils to make the trip viable, then it must be cancelled and a full

refund given. Any insurance costs will be included in charges for trips and activities.
