CHILDREN'S MENTAL HEALTH WEEK

As you may be aware, the week commencing the 9th February is Children's Mental Health Week.

On **Friday 13th February**, we invite children to use clothing and colour to

express themselves.

Your child/children's outfit can be as simple or elaborate as they like! Dress to Express is an opportunity for self-expression and celebrating a diverse range of emotions. The day also provides a great opportunity to be open about mental health and start conversations within our school community.

THANK YOU

Today we say goodbye to Miss Estabrook. We would like to thank you for all your hard work and we wish you all the best in your new role and for the future.

SMOKING/VAPING

We kindly remind all parents and carers that smoking or vaping is not permitted on the school grounds. This helps us keep a safe, healthy environment for all children and sets a positive example.

Thank you for your cooperation and support.

ACHIEVEMENT AND PROGRESS

Our Achievement and Progress Awards Celebration at the end of half-term will take place on Tuesday 10th February at 9:15am in the school hall. Parents/carers of children receiving an award will receive a text message next week.

PARENT GOVERNOR

Following the recent Parent Governor elections, we are delighted to inform you that Mr James Finch, a parent at Garton-on-the-Wolds School, has been elected as Parent Governor for the school's federation. As there were no other applications, Mr Finch was elected unopposed.

We look forward to Mr Finch joining the governing body and being an integral part of the team.

PACKED LUNCHES/NUT-FREE SCHOOL

As part of our ongoing efforts to promote a healthy school environment, we would like to remind all families that the school encourages healthy eating habits. Please consider including nutritious food items within your child's packed lunch, to help support their overall well-being and learning.

Additionally, we would like to remind parents of our No Nut Policy to ensure the safety of all staff and pupils, especially those with nut allergies. Please avoid sending any items containing nuts or nut products with your child including satay chicken and pesto. Thank you for your support.

FEBRUARY HALF-TERM

We break up for February half-term on Friday 13th February. School will re-open for all children on Monday 23rd February.
