APRONS ON!

In November, we launched Aprons On! our very own cookbook made in collaboration with Friends of Garton School. We are incredibly proud of the final product & are delighted by the wonderful feedback received. The cookbook was truly a labour of love with many hours spent editing!

Without the recipes submitted by families, the sponsorship from local businesses & the dedication of the FOBMS/ FOGS team we would not have been able to create such a unique cookbook so a HUGE THANK YOU to all involved!

You can still get your copy! Pop into the school office or contact FOBMS.

Save the Date

Next FOBMS meeting will be held just after Easter holidays... keep an eye out for the date & please feel free to come along. The last meeting was virtual to help accommodate our busy volunteers.
