2026

We hope you all had a lovely Easter break. Children have enjoyed the first couple of weeks back at school and are excited for the Summer Term ahead. We have lots of exciting events to look forward to, including, Sports Day, Marrick Priory Residential, Leavers' Assembly and much more!

EAGLES VISIT TO YORK DUNGEON By Florence

Me and my class went to York Dungeon, the Museum Gardens and the walls which were so fun but scary at the same time.

We started the day off by walking around York (because we were a little early for the York Dungeon). We looked at the River Ouse and the bridges that go over the river (I can't remember the names of the bridges!), it was weird and funny because we saw a bike in the river, but we understood why because Mr Hone said that the river floods really high sometimes.

Fast-forward to the York Dungeons! The first room we went in was in the Viking times. I was called up to the front and apparently my name was 'Edwig' and I had made some 'bad sins' so I had to touch something inside of a strange box to get rid of my sins. At that time, I thought I was done for because what if I put my hand in the box and a hand grabbed me? But after I put my finger in the box, there was just smoke that came out. After that, I was asked to pull a lever to open the door, but I pulled the wrong one and accidentally let the

Vikings know we were there, so we evacuated!

Some of the other rooms included: Guy Fawkes, the Romans and the plague. The scariest room was about a witch in a cage. She kept on crying and saying she wasn't a witch.

But then the lights flicked off and she kept screaming! It was so scary!
