Eagles DT Cooking Lesson – Burgers

Dear Parents and Carers,

I am writing to let you know about our cooking lesson on Monday 1st June. During this session, the children will be preparing their own patties and fillings, and will also be frying them on a hob under close supervision. This will provide them with a valuable practical learning experience while developing their confidence, independence, and awareness of safe cooking practices.

To support this lesson, we would be very grateful to borrow a number of items from home, including frying pans, dinner knives, spoons, mixing bowls, spatulas, chopping boards for meat and vegetables, and mixing spoons. If you are able to lend any of these items, please ensure they are placed in a clearly named bag so that they can be returned promptly after use.

All equipment will be used carefully and hygienically throughout the lesson. Children will be reminded of the importance of safe handling, particularly when working with food and hot cooking equipment. Staff will supervise the activities closely to ensure that the lesson is both safe and enjoyable for everyone involved.

Please send any items in with your child on Monday 1st June. We are very thankful for your support and for helping to make this practical lesson possible.

Yours sincerely,

Mr T Hone

Eagles' Class Teacher
