

Barmby Moor CE Primary School School Uniform Policy

Respect, Aspire, Achieve

Our School Vision is to work as a community within the school's Christian ethos. We learn about world faiths alongside our Christian Values to work towards creating an Outstanding school where all can flourish. Through the provision of a broad and balanced curriculum we encourage every child to develop lively, creative and enquiring minds enabling them to become confident individuals who reach their full potential and succeed in Modern Britain.

Our school works in partnership with the church and the wider community to give a caring and nurturing environment. Together we enable and equip each child to "I have come that they may have life, and have it to the full" (The Gospel of John – Chapter 10, verse 10).

We will realise our Vision by:

- demonstrating, as a Church school, our Christian values in action
- consistently high standards of teaching
- providing a happy, healthy and secure environment where all are respected, valued and encouraged to contribute
- excellent leadership and governance
- encouraging a love of learning by participating in experiences full of opportunity and creativity
- pursuing excellence in every aspect of school life, supporting one another and celebrating the achievements of all
- a partnership of pupils, teachers, parents, governors and the local community
- Targets are challenging and achievable.

Our Values

Our Values are at the heart of our school vision and are illustrated in the Cross and shared with children on a regular basis, in Collective Worship and reinforced through our teaching and every day school life.

We established these in collaboration within our school community.

Our values can be said to be 'Human Values' and inclusive for all. As a Church of England school, however, we have rooted these Values in our Christian beliefs and in stories from the Bible making it particularly memorable for children.

School Uniform 2026

Introduction

We strongly agree with the Secretary of State for Education that, 'School uniform provides a sense of identity and community for children and young people, and should be a real source of pride. But it must never be a burden for parents or a barrier to pupils accessing the education.' (November 2021)

At Barmby Moor CE Primary School, we feel it is important for pupils to have a school uniform as we feel it plays an important part in:

- supporting positive behaviour and discipline;
- developing and promoting the ethos of the school;
- providing a sense of belonging and identity;
- supporting teaching and learning;

- promoting a sense of pride in the school;
- promoting a sense of community and belonging towards the school;
- promoting equality;
- supporting health and safety;
- setting an appropriate tone for education; and
- creating a common identity amongst pupils regardless of background and therefore acting as a social leveller

We believe school uniform, including school PE kit, helps reduce bullying and peer pressure to wear the latest fashions or other expensive clothes.

We acknowledge that we have an obligation under the Human Rights Act 1998 to protect and to accommodate the rights of individuals to display their religious or cultural dress. Any request based on social or cultural grounds for pupils to wear other items of clothing, other than or in addition to the specified school uniform, will be considered.

We are aware that a greater number of pupils are questioning their gender identity than in the past. Therefore, we are introducing a gender neutral uniform which will cater for those pupils who do not match clothing to gender as well as those who do not.

We believe we have a moral duty to keep costs low for parents as we realise they do not have an endless pot of cash for new school clothing. Therefore, we will ensure that our school uniform is affordable, provides best value and that it will be sustainably sourced.

We have a moral duty to ensure that:

- school uniform is affordable;
- all items of uniform including PE kit will be costed and taken into account;
- no pupil will be discouraged from participating in any aspect of school life, such as interschool competitions, because of the cost of additional uniform requirements;
- school uniform is sustainably sourced;
- branded items are kept to a minimum;
- uniform supplier arrangements give the highest priority to cost and value for money including the quality and durability of the garment;
- second-hand uniforms are available for parents to acquire.

We will consult with parents/carers, pupils, school personnel, community groups, local religious leaders and the Local Authority in order to gauge their views regarding any changes to the present school uniform. Parents and pupils will be informed well in advance of any changes to this policy coming into effect.

We believe that any pupil that breaches this policy will be disciplined. However, we do not believe exclusion to be an appropriate response to breaches of this policy.

Annually we will consider:

- the cost of school uniforms;
- not dictating different items of clothing on the basis of sex or gender;
- using a variety of suppliers;
- only stipulating basic items and colours for uniforms so that they can be bought from a range of suppliers;
- limiting logos on items and providing iron-on or sew-on versions;
- introducing uniform exchange or recycling schemes;
- reviewing procedures for pupils to come to school in their PE kit on PE days;
- being flexible during extreme weather conditions, for example allowing pupils to wear their PE kits in very hot weather;
- ensuring "gender neutral" items of clothing;
- flexibility in relation to uniform to meet the needs of a pupil who is undergoing gender reassignment;
- allowing any pupil to wear a skirt or trousers;
- helping those families with two or more children in the school with the cost of uniforms.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
