Educational Visit – Barmby Moor Litter Picking – Monday 21st September 2026

Dear Parents and Carers,

Throughout the year, our Year 5 and 6 children will be taking part in litter picking activities within the local community around Barmby Moor village. This will be a valuable opportunity for the children to support their local area while developing a strong sense of community pride and stewardship.

The litter picking will take place once per half term (generally on Monday afternoons), with our first date being Monday 21st September. As these activities will take place outdoors, pupils should be prepared to work in a range of weather conditions and should come suitably dressed for being outside. It would also be helpful if your child could bring a pair of rubber gloves and a bin liner with them on the day.

Please be aware that parental and carer permission is required for your child to take part in these activities. We would be grateful if you could ensure that consent is provided before the first session by emailing the school office.

We are looking forward to offering the children this positive and practical experience of supporting their local environment.

Thank you for your continued support.

Yours sincerely,

Mr Toby Hone
Eagles' Class Teacher
