Harry and the Bucketful of Dinosaurs

Class books: Scarecrow's Wedding,
Superworm, Room on the Broom, and other
books children are interested in throughout
the term.

Maths: Number, shape, and exploring change

Science: Dinosaurs and animals, changes in
winter (investigating cold)

History: Today and the days of the week
(talking about time)

Geography: Countries and their flags

Theme: Dinosaurs

Writing: Individual Targets which includes mark
making, colourful semantics

Reading: Phonics, word reading and colourful
semantics.

Art: Mark making

Music: Making sounds

PSHE: Emotions and feelings + Sharing toys

PE: Individual Learning Goals

In Kingfishers, each child is individually planned for. We follow the HET (Humberside Education Trust) curriculum for Maths and English, and the HET Fundamentals of Learning document for our children's communication, social and emotional priorities.
