28th September 2026

Dear Parent/Carer,

An Invitation to Woldgate School Open Evening

Choosing a secondary school is about far more than deciding where your child will spend the next five years. It is choosing the community in which they will learn, develop their character, discover new interests and begin to understand the person they might become.

During their time at Barmby Moor CE Primary School, your child has been part of a community with a distinctive vision. Barmby Moor's values of 'respect, aspire, achieve' alongside its strong emphasis on hope, friendship and perseverance equip pupils with the character, ambition and resilience to thrive as they move into secondary education.

As they prepare for the next stage of their education, we believe those qualities should continue to be built upon, continuing the journey of excellent teaching and the provision of creative opportunity.

At Woldgate School, we want every child to achieve academically and to leave us with the confidence, character and values to make the most of those achievements. We believe that excellent education should open doors: through high expectations, inspiring teaching and strong academic outcomes, but also through the experiences, relationships and opportunities that help young people discover who they are and what they can become.

Everything we do should be worthy of great merit, character and value. That means knowing and caring for every child as an individual, recognising their strengths and ambitions, and supporting them to flourish both within the classroom and beyond it. Our ambition is not simply that pupils achieve excellent results, but that those results become part of something bigger: young people who are knowledgeable, confident, compassionate and ready for the opportunities ahead.

Central to this is a simple but important promise:

Every child should be known and cared for as an individual.

As a small, inclusive and welcoming community, we are able to know our pupils — their strengths, their interests, their aspirations and, sometimes just as importantly, when they might need a little extra encouragement.

Working closely with parents, we seek to provide a caring, safe and welcoming environment in which every child can learn and grow.

Our Open Evening is an opportunity to experience this for yourself.

Alongside exploring our classrooms and meeting our teachers, your child will be able to discover the extraordinary variety of experiences that make up life at Woldgate: clubs, sport, music, performance, trips, leadership opportunities and activities through which they may discover interests and talents they do not yet know they possess.

For your child, the questions may be simpler but no less important.

Will I make friends? What will my teachers be like? What clubs could I join? Will somebody know if I need help? Could I see myself here?

We hope our Open Evening gives them the opportunity to begin answering those questions for themselves.

Choosing a school should not simply be about what you read in a letter or prospectus. It should be about how a school feels when you walk through its doors.

We would be delighted to welcome your family to Woldgate School and give you the opportunity to experience our community for yourselves.

We very much hope you will join us on Thursday 15 October 2026, from 4.30 pm to 7.30 pm.

Scan the QR code to visit our Open Evening page and book your visit.
