

Dear Class One,

I hope you are all well and you have had a good Easter at home enjoying the lovely weather. I am sure the Easter Bunny came to visit and I hope you enjoyed your chocolate treats.

I have been thinking about Class 1 and I miss you all.

Thank you for the photos of what you have been doing at home which you have sent me through 2 Buildaprofile. Please keep these coming as I really enjoy finding out about all the different activities you have been doing.

Next week would be the start of our Summer term and I have put together some ideas which you might like to do at home. I will continue to send these by a daily email through 2Buildaprofile with a range of activities for you to take part in, until we can go back to school. Please remember that you can still join in Joe Wicks daily PE, Doh Disco, practise your reading, practise reading and spelling your tricky words, play on Reading Eggs as well as looking at the 100 things to do indoors.

If you have any questions or concerns, please contact our school office and the message will be sent to me.

I forward to receiving your photos.

Take care Class One.

Hope to see you all soon.

From Mrs Parry
