

Hello Class Four,

First of all, I hope the Easter Bunny brought you lots of chocolate, and that you have enjoyed this weather in whatever way you can. I have eaten lots of vegan chocolate and have loved the beautiful sunshine!

Unfortunately we are not returning to school just yet and so we need to launch our new topic for the Summer term in a different way! Our new topic is [Ancient Greece](#). I know that you are all great at researching and creating wonderful pieces of work, so here are a list of things that you could do and questions you could answer:

1. Where in the world was the Ancient Greek civilisation? When was it? What was special about it? Create something with all the information you have found.
2. Research the different gods that Ancient Greeks used to worship. Choose one god and create a piece of work on them.
3. Can you find any Ancient Greek myths? What is your favourite one? Recreate one of these stories using toys or your family at home.
4. Can you find any Ancient Greek art? Try to make your own piece of art using anything around your house.

You can send your work to the school, and I will be able to see it on the website. I look forward to reading your work and all the interesting things you find out.

Keep on enjoying the sunshine and the extra time with your family.

Mr. Bennett
