

Monday 20th April 2020,

Dear Class 6,

I hope you had a lovely Easter safe at home with your families and that you enjoyed eating lots of Easter Eggs. The weather has been fantastic for spending time in the garden and having a family walk or bike ride.

Unfortunately, it looks as though we will not be returning to school just yet and so we need to launch our new class theme in a different way! I know that you are all great at researching and so we are going to start this theme with a few questions for you to investigate and then present back via our home-learning page!

Here are your key research questions:

- Who was William Wilberforce and why is he a local hero?
 - What is batik? What sorts of patterns and styles can you find which originate in West Africa?
 - Which materials keep my porridge warm and my frozen yoghurt cool on my daily walk? Can you investigate and present your findings?
 - What is a pilgrimage? Why might someone of faith make a pilgrimage
- You can present your work via: a written report, fact-file, information text, photos, maps, drawing and sketches. There are many creative ways to present what you find out. Perhaps you have a question from this that you would like our class to investigate, send it in with your completed work.

I look forward to reading your work and all the interesting things you find out!

Mrs Marsden

Dear Class 6,

We wanted to give you all a quick 'squeak'! At the moment, we are being 'stay at home heroes' too, until we can all be together again!

Fudge & Brownie
