Monday 4th May 2020

Dear Parent/Carer,

I hope you are all well and are keeping safe.

We continue to await updates from the Government as to when schools may reopen. As soon as we have any updates, we will communicate these with you.

Home Learning Update

This week's home learning is now available on the school website. As stated last week, some parents have chosen to focus on BBC Bitesize Daily or Oak National Academy; this is absolutely fine and you must do what works for you as a family.

Friday 8th May is a Bank Holiday. We have uploaded Home Learning for this day, however understand that many families may choose to avoid formal home learning and instead spend time as a family commemorating the 75th anniversary of VE Day.

The Department for Education, in collaboration with Letters and Sounds, have started to air daily phonics sessions for children in Reception and Year 1. The links to access these sessions, which are available on YouTube, can be found on our school website, under Home Learning > Daily Phonics.

Scholastic have asked some of their favourite authors, including Julia Donaldson, to read a book/chapter from a book to help keep children engaged and excited about reading. These videos can be accessed at the following link: bookfairs.scholastic.co.uk/chapter-one

Mr Baxter's Weekly Challenge

Thank you to all children who took part in my first weekly challenge! I have been overwhelmed by the response and have worked hard to respond to each child individually.

My second weekly challenge is now available on the school website. It can be found under Home Learning and by clicking on the Weekly Challenge tab.

I hope the children enjoy completing this week's challenge. When completed, please send photos to weeklychallenge@barmbymooreprimary.co.uk for me to have a look at.

Staff Stories

We have had a very positive response to the Staff Stories on our school website. We have uploaded a couple more over the last few days so please check these out. More updates soon!

We hope pupils enjoy hearing from their class teachers.

Class E-mails

We hope you have found the class e-mails useful. The staff have enjoyed seeing all the different activities the children have been taking part in at home.

Thank You
