Friday 22nd May 2020

Dear Parent/Carer,

Hope you are all well.

After receiving various guidance from the Government and East Riding of Yorkshire Council, I am now in a position to provide you with additional details in terms of the planned phased wider reopening of our school for Nursery, Reception, Year 1 and Year 6.

On Wednesday 20th May, we received an e-mail from East Riding of Yorkshire Council, advising the school, and other schools in the authority, to defer wider opening to at least **Monday 8th June**. We will be following this advice.

The planned wider reopening will take place in phases. They are as follows:

Monday 8th June 2020 – Nursery (not two year olds) and Reception return to school.

Monday 15th June 2020 – Year 1 return to school.

Monday 22nd June 2020 – Year 6 return to school.

More details will be sent to each of the above year groups in advance of their return date.

This will include details of group structure, the days children will be invited to attend and start/finish times. Please note: dates are subject to change depending on future guidance we receive and the capacity of our school to provide the provision safely in line with Local Authority and Government guidance.

School will be open to the above year groups **Monday to Thursday only**. Each Friday, school will be closed apart from childcare for keyworker parents. On this day, there will be an additional clean of key areas across school and staff will prepare home learning for other year groups for the week ahead.

We look forward to welcoming the children of the stated year groups back to school.

Thank you again to all parents for your continued support.

Mr J Baxter
