Executive Headteacher: **Mr J Baxter**

Monday 29th June

Dear Parents/Carer,

The School Nursing Service will be coming into school on **Wednesday 8th July 2020** to lead a puberty/growing up talk with Year 6 children.

In line with Government guidance, social distancing will be adhered to and two members of the nursing team will be in attendance – one will lead a talk with children in the Year 6 bubble and the other will lead a talk with the Year 6 children who are the keyworker bubble.

The sessions will involve the children watching some video screenings and parents can access these at home by visiting:

https://www.healthpromotion.ie/health/inner/busy_bodies

The modules that are delivered to Year 6 are:

Introduction

What is Puberty?

What happens to boys?

What happens to girls?

Looking after you

How babies are made

We feel it is important that your child be involved in this as it covers the many different aspects of growing up. Year 6 children across the country normally have a similar talk before they move into their secondary education.

If your Year 6 child is currently not attending school, but you would like them to participate in the talk, then please e-mail the school with your permission and we will be in touch to confirm arrangements.

Parental consent is required for your child to take part in the talk. Due to the current circumstances, we ask that parents e-mail their consent to barmbymoorschool.primary@eastriding.gov.uk stating their child's name and confirming that they give consent for their child to participate in the puberty/growing up talk. Please e-mail consent by **Friday 3rd July**.

Yours sincerely,

Mr J Baxter
Executive Headteacher

Barmby Moor Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
