Executive Headteacher: **Mr J Baxter**

Tuesday 5th January 2021

Dear Parent/Carers,

As you will be aware, yesterday, Boris Johnson announced that all schools would move to remote learning provision from Tuesday 5th January. I am now writing to you to confirm what this provision will look like in line with our remote learning plans, which have been in place since September 2020.

Our online learning platform, Seesaw, will be our primary way of providing remote learning for Classes 2 to 5. If you have any difficulties accessing this app or do not have a laptop/mobile device/online access, then please contact school as soon as possible.

From tomorrow (Wednesday 6th January) the following will take place for children in Classes 2 to 5:

- Teachers will post a weekly timetable of lessons.
- Before each lesson, teachers will be posting a video, explaining expectations and what the children will be doing.
- Any completed work should be sent in through the Seesaw app. Teachers will then provide written feedback.
- Teachers will be available on the Seesaw app to answer any questions and to give any advice.
- There will, from next week, be a weekly Microsoft Teams Meeting for each class. Days and times of meetings will be confirmed in due course. This will be an opportunity for the children to see one another during the school closure.
- Teachers will also phone parents once a week to check in with how children are progressing with the remote learning.

Children of critical worker parents, will also be following the above learning in school.

Children in Class 1 will have work uploaded via Evidence Me.

Many thanks again to all parents for your ongoing support.

Take care,

Mr J Baxter

Executive Headteacher

Barmby Moor Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
