Year 6 Practical Bikeability Training

Your Year 6 child has not yet had the opportunity to complete their Practical Bikeability Training. This year, the Local Authority Road Safety Team are offering to run the training between 2nd March and the end of July 2021, assuming schools re-open to all pupils during this period. The training is charged at £15.00 per pupil, which will be paid for by the school.

If you would like your child to take part in this training when circumstances allow, please read all the information contained on the following documents (available on the Letters page of the school website and at the following links):

- Bikeability Information and Consent Form for Parents – contains essential information regarding your child's cycling ability and the condition of kit required

- Bicycle Safety Check Form – a visual guide to checking that your child's bike is in a road worthy condition

Please then email your consent to the School Office at barmbymoorschool.primary@eastriding.gov.uk by Friday 5th February 2021. Please note that your email will be taken as confirmation of the requirements stated on the Information and Consent Form for Parents and that you are giving permission for your child to carry out the training lessons on public roads under the supervision of the Bikeability instructors.

If you have any questions, please do not hesitate to contact the School Office.

Thank you for your continued support.
