Dear Parents/Carers,

I am writing to you regarding parking outside of the school gates. Even though the school is currently only open to children of critical workers, I would like to remind parents of the legally-enforceable parking restrictions in this area. These are the yellow zig-zag lines and for safety reasons they should not be parked on between the times of 8.00 and 9.00am, and 3.00 and 4.00pm. Please see the parking restriction signs outside of the school.

We have noticed some parents parking here during these times, which creates a hazard for children and parents during the drop-off and collection periods, as well as for the school taxi, staff cars and delivery vehicles that may be entering and exiting the school car park during these times.

We also ask that parents and children do not walk through the school car park, which is for staff use only – please keep to the pedestrian path.

Parents and carers are welcome to use the car park of the Boot & Slipper pub in St Helen's Square (please keep the car park entrance clear on Fridays). This is a short walk from the school.

Thank you for your co-operation in helping to ensure the safety of the school community. If you would like to discuss any of the above, please do not hesitate to contact me.

Take care,

Mr J Baxter
Executive Headteacher
