Dear Parent/Carer,

I hope you all had a restful half-term break.

As you will be aware, throughout the first part of the spring term, school has been closed apart from provision for the children of critical worker parents. The Prime Minister is due to make an announcement on easing lockdown restrictions, including the reopening of schools, later today. Once we have further details we will communicate these to you.

Remote Education

I would again like to begin by thanking all parents and carers for their support with remote education. You have all played a vital role in keeping your children's education going throughout this difficult time and my thanks also go to the staff team for their ongoing hard work.

For at least the next two weeks, the majority of children will continue to access remote education via the Seesaw App. Class teachers will continue to post daily videos and work linked to our school curriculum. Class meetings, via Microsoft Teams, will also take place at the same times as usual:

- Class 1 – Wednesday at 9:30am
- Class 2 – Tuesday at 10:00am
- Class 3 – Tuesday at 2:30pm
- Class 4 – Tuesday at 11:00am
- Class 5 – Tuesday at 1:30pm

Our weekly live Celebration Assembly will also take place at 9:15am each Friday and links to access this will be posted on Seesaw.

If you have any questions, then class teachers are available through the Seesaw App. Class teachers will also continue to contact parents, of children not attending any sessions in school, on a weekly basis.

Barmby Moor Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Remote Education Survey

Thank you to all parents who completed our Remote Education Survey.

We are currently collating results and we will send these out to parents/carers later this week.

Critical Workers

For at least the next two weeks, school continues to provide provision for children of critical worker parents. Please note, in line with Government guidance, that if critical worker children can access remote education from home, then they should do so.

Thank you to all critical worker parents who have booked in provision for the next two weeks.

Thank you again for your continued support.

Take care,

Mr J Baxter
