Dear Parent/Carer,

I hope you are all well.

As we approach the end of the spring term, I would like to thank all parents for their ongoing support. This has been another very different term for everybody. The children continue to amaze us with their resilience and perseverance and we are very proud of every single one of them. My thanks also go to all school staff, who have worked above and beyond to ensure children have been provided with ongoing education since last March – whether that be remotely or face to face.

School closes today for the Easter holidays and will reopen for all children on **Tuesday 13th April**.

If your child tests positive for COVID-19 during the Easter break, then please follow the instructions below:

- Where a pupil, who has been in school, tests positive for COVID-19 anytime from 3:30pm on Sunday 28th March onwards, school should not be contacted. Parents and carers instead should follow the contact tracing instructions provided by NHS Test and Trace and further information can be found at <https://www.nhs.uk/conditions/coronavirus-covid-19/> or by calling 119.
- Where a pupil, who has been in school during week beginning Monday 22nd March, tests positive for COVID-19 between 3:30pm on Friday 26th March and 3:30pm on Sunday 28th March, then school must be contacted so that we can assist in identifying close contacts and advise self-isolation, as individuals may have been infectious whilst in school. Please inform school by e-mailing barmbymoore.primary@eastriding.gov.uk. If this happens, then we will contact anyone identified as a close contact via our Teachers2Parents text messaging system.

Thank you again for your continued support. I hope members of our school community have a very restful Easter break.

Take care,

Mr J Baxter
Executive Headteacher
