Tuesday 23rd November 2021

Dear Parents and Carers,

As a result of recent positive COVID-19 cases in our school community and particularly within Class 4 (Year 5 and 6) the East Riding of Yorkshire Council schools' support team and public health have recommended that all Year 5 and 6 children, who are not already self-isolating as a result of a positive PCR test or have not tested positive for Covid-19 within the last 90 days, access a PCR test as soon as possible.

You can order or book a free PCR test by visiting www.gov.uk/get-coronavirus-test or calling 119. If you have any difficulty or issue in obtaining a test, please inform the school office.

To confirm, once your child has taken a PCR test:

- If your child has no symptoms, they do not need to isolate whilst waiting for the results of the PCR test.
- If the PCR result comes back as negative, they can attend school as usual but still need to be vigilant for any symptoms.
- If the PCR result is positive – they will need to self-isolate for 10 days from the date of the test

It is strongly advised that you and your families take extra care if visiting vulnerable individuals or attending large events or gatherings given the proportion of cases in our community.

I completely appreciate that this is an inconvenience, but to further prevent the spread of COVID-19 in our school community and keep our children safely at school, I would urge you to please support me with this.

Yours sincerely,

Mr J Baxter
Executive Headteacher

Barmby Moor Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
