Year 5/6 Practical Bikeability Training

This year, the Local Authority-provided Practical Bikeability Training will take place between March and July 2022. Usually, the school participates in this training every other year, giving children in Years 5 & 6 the opportunity to take part once in Upper Key Stage 2, with the school covering the £15.00 per pupil charge.

We would like to offer the training to our Years 5 & 6 pupils this year, however we will need to ask for a £10.00 parental contribution towards the cost. The school will subsidise the remaining amount.

If you would like your child to take part in this year's Bikeability Training, please ensure you complete the slip below and the slip from the 'Practical Bikeability Training' letter and return both, with payment, to the school office by Wednesday, 8th February. Payments can be made on Scopay, select 'Cycle Training' or by cash and cheques made payable to ERYC and placed in the black post box.

If you have any questions, please do not hesitate to contact the school office.

Kind regards,

Mr J Baxter
