Dear Parents,

As your child is in Upper Key Stage Two, we have decided to organise a visit to Hull, after SATs have taken place, to allow all Year 5/6 pupils to take part in the annual Brownlee Triathlon.

For many children, this will be their first ever experience of taking part in the sport so it is a wonderful opportunity. In previous years, pupils have been inspired to continue swimming, athletics, cycling and even triathlon outside of school, with some of our former pupils still competing. The event is organised by Alistair and Johnny Brownlee, who are Yorkshire Olympic medallists, and involves a 50m swim, 800m cycle and 300m run.

The event will be taking place on **Thursday 19th May** with pupils travelling in the morning. The pupils will arrive back at school during the early part of the afternoon however they will have missed lunch. Therefore, children wishing to participate would need to bring a packed lunch to have upon our return to school.

We have decided to allocate a portion of our Sports Premium Funding to pay for transport to and from the event, and the event itself is funded by the Brownlee Foundation. Therefore, the visit is free of charge to any pupils who would like to take part. Again, this provides a great opportunity for children to experience a new sport.

In order to take part, children will need to bring their: PE kit, trainers, swimwear and a towel. If children would prefer to wear goggles whilst swimming, they may bring these too. Swimming caps, bikes and helmets will be provided by the Brownlee Foundation.

If your child is not confident in the water or on a bike, the event can be altered to allow all to participate: swimming aids are available; children can swim in the shallow end; and scooters can be used instead of bicycles.

Please complete the form below and return to **Mr Hone** if your child wishes to participate.

Thank you for your continued support,

Mr Hone
