Parents' Evening

Dear Parent/Carer,

I hope you are well.

Over the last two years, the Covid-19 pandemic has had a significant impact on all aspects of everyday life, including our normal school routines. During the pandemic, all Parents' Evening appointments have taken place over the telephone. However, now that Covid-19 restrictions have been eased, we are pleased to confirm that we can once again invite parents/carers into school for face-to-face appointments.

Parents' Evening will take place on two evenings:

Monday 23rd May

Tuesday 24th May

These 10-minute meetings will provide parents/carers the opportunity to find out how their child is progressing as well as giving you the opportunity to ask any questions you may have.

We have moved to a new online system for booking appointments. Shortly, you will receive a link, via text message, that will allow you to book appointments for your child/ren. When you receive the link, follow the below instructions.

1. Click the link.
2. Enter your child's first name. If you have more than one child in school, you only need to enter one name. Click 'Confirm'.
3. The name of your child/ren will appear along with the name of their class teacher. Click 'Please Choose' to select an appointment time for your child/ren.

If you have any difficulty, please do not hesitate to contact the School Office.

Many thanks for your continued support.

Take care,

Mr J Baxter
