Monday 13th June 2022

Dear Parent/Carer,

Our exciting residential visit to Marrick Priory is very nearly upon us and I am writing to inform you of final details for the visit.

On Wednesday 6th July, children will need to be at school by 10am. Adults are welcome to wait on the grassy area outside our cloakroom to wave children off. Alternatively, children can be dropped off at the start of the normal school day and wait with staff in the classroom until it is time to leave. Any medication (including travel sickness tablets) must be handed to myself with clear instructions on how and when it should be administered. If your child has asthma, please provide an inhaler from home. Please also be aware that children must not bring any electronic items such as phones or tablets on the visit for safeguarding purposes.

Pupils will return to school on Friday 8th July in time for the end of the school day. Children must be collected from school as children will not be able to make their own way home.

On arrival at Marrick Priory, you will receive a message from school to inform you that we have arrived safely. We will also update you on expected return time on the Friday, as this could be impacted by traffic.

Finally, please find attached a suggested kit list with items that pupils should bring to ensure they have a great visit.

Thank you for your continued support,

Yours sincerely,

Mr T Hone
Year 5/6 Teacher
