Dear Parent/Carer,

Active 60 Bags

As part of our work with our school sports partnership and our ongoing work with our 30:30 project, we are looking forward to taking part in a trial initiative to encourage our pupils to be physically active.

Pupils in Classes 2, 3 and 4 will take it in turns to take home their 'Active 60' bag. These will be handed out on Fridays and will need to come back to school on Mondays. Inside are books which you can read with your child, some physical activity inspiration and a template for pupils to record what activities they may have participated in over the weekend.

Through this trial initiative, our school aims to encourage pupils to develop a healthy interest in physical activity and promote healthy lifestyles.

If you would like any further information about the trial, please contact Mr Hone through the school office.

Thank you for your continued support,

Mr Hone
